

Spring 2011 Conference Call for Presenters

SPRING FORWARD!

Taking Charge of Transition

Before it Takes Charge of YOU

The District 62 Spring Conference is seeking skilled presenters to conduct **60-minute** educational sessions on Saturday, April 30, 2011 at Boyne Mountain Resort. Qualified presenters should be able to connect with a Toastmaster audience and explore communication, leadership, and/or self-confidence techniques that produce results during times of transition. (ie - new job, new boss, new colleagues, unemployed, recently employed, starting your own business, birth, death, empty nest, marriage, divorce, career change, major health change, debilitation, smooth transitions in oral and written communication, etc.)

As with any workshop, your topic must be appealing and impart distinct knowledge. Session attendees should leave with new insights about your topic that they can use to help manage transition and further their communication and leadership goals.
