Alignment of Clubs, Areas, Divisions
for 2011 - 2012**

District Council meeting
April 30, 2011

District 62 Toastmasters

Assignment of Clubs to Divisions and Areas for 2011 - 2012

As provided for in Article VI of the District Administrative Bylaws, the member clubs of a district shall be organized into areas, the number and composition of which shall be determined by the district council at its annual meeting, to become effective the following July 1. Districts may also organize areas into divisions.

The assignment of clubs to areas within districts should take into consideration the best interests of the clubs and district. Consideration should be given to size and types of clubs. Areas must consist of four to six clubs, except where special circumstances exist. A district may have an area with three clubs if efforts are made to charter a fourth club in the area. Under no circumstances shall an area have fewer than three clubs.
